Patrick Clancy and the MTMS Administrative Team

Rhapsody Booster Parents

Tax Credit Time

We are nearing the end of the year, which is the perfect time to remind everyone that Arizona will refund, dollar for dollar, tax credit donations that you make. Single individuals may donate up to \$200, and married couples may donate up to \$400, and receive a dollar for dollar credit on your Arizona state taxes. It's a great way to direct how some of your tax dollars are spent. You can make your donation online at <https://az-paradisevalley-lite.intouchrecepting.com/>, or if you'd prefer, in person at the bookstore. Just be sure to write in Pinnacle Choirs as the Activity receiving your funds.

Pinnacle Choirs' photographer for the past two years has been Ms. Kenda Newbury. We are especially grateful to her for her dedication and time to come in and photograph our events with such artistry, professionalism, and care. If you are in need of a photographer for the senior photos, family photos, athletic action shots, or any other occasion, you can find and contact Kenda on Instagram at Train.N.Pics, or reach out to Dr. St. Claire and he will happily share her contact info.

We are also especially grateful to two time Grammy nominated jazz artist (and proud father of a Pinnacle Choirs freshman) Marcos Crego. Marcos performs frequently in the jazz community within Phoenix and around the world. You can hear Marcos and his band, The Cuban Tribe, perform on February 27 from 12:30 to 1:30 pm for the Mesa Art Center's "Out to Lunch" series. It's well worth the drive! If you can't make that, there are many other opportunities to hear him at Phoenix's premiere jazz club, The Nash.
